

2010 Muns Vineyard Pinot Noir
Santa Cruz Mountains, Estate

~ Winemaker / Tasting Notes ~

The Wine:

This wine is elegant, complex and well structured, with balanced tannins, acidity and fruit; and a silky, sensuous mouthfeel. It will age beautifully, as have all of our Pinots. Dijon clones: 114, 115, 667, 777. 100% Pinot Noir.

Retail: by the bottle: \$40

Tasting notes:

The heady dark cherry of this Pinot dances across your tongue and into your heart, along with Tahitian vanilla, cardamom and fresh-baked bread. The palate is full and lingers; and the mouthfeel is a sensory experience with smooth, velvety tannins. The tannins are balanced yet not overpowering from aging in eastern European oak. It is fragrant with cherry, vanilla and sandalwood. Complex, balanced acidity and minerality typical of the Santa Cruz Mountains and our vineyard. This is a beautiful Pinot.

The Vineyard:

At 2600' elevation on the Loma Prieta ridge top, Muns Vineyard is the highest Pinot Noir vineyard in the Santa Cruz Mountains and is ideal for growing premium Pinot Noir. The site enjoys panoramic views over the redwood forests to span Monterey Bay, from Santa Cruz to Monterey, and eastward to Loma Prieta Peak and towards Los Gatos. The vineyard sits above the fog line and is cooled by the gentle maritime breeze that sweeps in almost constantly off of Monterey Bay in the summertime. In the winter it is not uncommon for the vineyard to be blanketed in snow. The soil varies from rich loam to shale to red clay. The 2008 vintage is the sixth harvest from the 12 acre Pinot Noir vineyard; planting started in 1998 and was completed in 2005. The fruit is grown by Ed Muns, with diligent attention to sustainable vineyard practices that produce extraordinary winegrapes.
